## CASE STUDY

**Category:** Flooring

**Project:** Ambarella Fine Foods

**Applicator:** Flooring Logistics

**Rhino Products:** Rhino ArmaFloor® 500DF

Ambarella Fine Foods, found in Burleigh Heads, Queensland, prides itself as that quintessential grocery store, offering its customers a vast collection of mouth watering fruits and vegetables, fresh meats in the butcher section, deli lines, pre-prepared gourmet meals and freshly sourced seafood.

The project involved Rhino Concrete Solutions Resurfacer being put down over the main floor area (approximately 400sqm) and Rhino ArmaFloor® 500DF with Paint Chip behind the counters (counters have not been fitted in most photos).

The external eating area was coated with Rhino ArmaFloor® 500DF Quartz Aggregate for maximum slip resistance and durability, with two Final Coats of ArmaFloor Clear to give the glossy finished look.
